**Rapid Relief**

**Kestral Karisma RIS Scheduling**

# Kestral Karisma RIS Scheduling

**Rapid Relief**

from a disorganised  
busy **schedule**

**Scheduling**

*Twice as Fast and Effective as other Methods*

**Kestral Karisma RIS Scheduling**

**Rapid Relief**

**USE KARISMA RIS SCHEDULING FOR**  
**Fast, effective long term relief of pain and discomfort associated with:**

- Balancing a busy schedule
- Inefficient use of resources
- The stress of complicated systems
- Uncertainty about availability
- Patients dissatisfied by long waits

**DO NOT USE KARISMA RIS SCHEDULING**

- If you are already making the absolute most of your time
- If you enjoy dealing with unhappy patients
- If you don't like the idea of knowing exactly when your resources are available
- If you don't want a transparent, ordered and well-managed schedule for your practice

**IF PAIN PERSISTS**

**Call Our Karisma HOTLINE : 1300 KESTRAL** for an Obligation Free Consultation with Karisma specialists  
**Warning:** Side effects of Karisma Scheduling include a streamlined and efficient business, satisfied patients and increased profits.

**KEEP TO THE RECOMMENDED DOSE**

Do not mix prescription technology with other, complicated solutions. Karisma Scheduling works in conjunction with the power and simplicity of the Karisma RIS to provide a complete and effective treatment for Radiology and practices of all sizes.
